As part of our commitment to nurturing future talent, we have actively reached out to four universities across Nigeria, establishing or affiliating Investment Clubs and promoting our core values. These outreaches have been a resounding success thanks to the selflessness of our members and volunteers. We hope to do more in the coming months.

On behalf of the Board of Governors, I extend our sincere gratitude to our members, dedicated volunteers, sponsors, and partners who make these initiatives possible. Thank you for your continued membership and support. Together, we are making a significant impact in our community and the broader investment profession in Nigeria.
