#### STATEMENT OF BOARD OF GOVERNORS' RESPONSIBILITIES

The Companies and Allied Matters Act, CAP C20 LFN 2004 requires the Board of Governors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Society and of the surplus or deficit for that year. In preparing those accounts, the Board of Governors is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the Society will continue in the foreseeable future.

The Board of Governors is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the Society and enable them to ensure that the accounts comply with part C of the Companies and Allied Matters Acts, CAP C20 LFN 2004. They are also responsible for safeguarding the assets of the Society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF INDEPENDENT AUDITORS TO THE MEMBERS OF CFA SOCIETY NIGERIA****Report on the financial statements**

We have audited the accompanying financial statements of **CFA SOCIETY NIGERIA** as at July 31, 2015, set out on pages 8 to 13 which have been prepared on the basis of the significant accounting policies on pages 6 to 7 and other explanatory notes on pages 11 to 12.

**Board of Governors' responsibilities for the financial statements**

Board of Governors' is responsible for the preparation and fair presentation of these financial statements in accordance with the Companies and Allied Matters Act, CAP C20, LFN 2004 and Financial Reporting Council Act, 2011. This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditors' responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Nigerian Standards on Auditing issued by the Institute of Chartered Accountants of Nigeria and International Standards on Auditing issued by the International Federation of Accountants. These standards require that we comply with ethical requirements, plan, and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error. In making those risk assessments, the auditors consider internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Governors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the Society has kept proper accounting records and the financial statements are in agreement with the records in all material respects and give in the prescribed manner, information required by the Companies and Allied Matters Act, CAP C20, LFN 2004. The financial statements give a true and fair view of the financial position of **CFA SOCIETY NIGERIA** as at 31st July, 2015, and of its financial performance and its cash flows for the period ended in accordance with the Statement of Accounting Standards issued by the Financial Reporting Council of Nigeria.
